Any person who willfully attempts in any manner to evade or defeat any tax imposed by the Department of Revenue or assists in the evading of that tax or the payment thereof, shall in addition to other penalties provided by law, be guilty of a felony and, upon conviction thereof, shall be fined not more than One Hundred Thousand Dollars (\$100,000.00) and, in the case of a corporation, not more than Five Hundred Thousand Dollars (\$500,000.00), or imprisoned not more than five (5) years, or both.

## **Instructions for completing this form:**

**THIS FORM IS FOR THE FOLLOWING TYPES OF EQUIPMENT AND TANGIBLE PERSONAL PROPERTY.**

**Airplanes, farm tractors, farm implements, heavy equipment, boats, boat motors, manufactured houses, trailers, motorcycles, ATVs, recreational vehicles, travel trailers, furniture, and appliances.**

All sales from a business location within the State or by a Mississippi dealer are presumed to be taxable Mississippi sales unless and until the dealer can substantiate an authorized claim for exemption.

### **Out of State Delivery**

In the case of exemption by reason of delivery of the goods outside the State to an out-of-state customer, the dealer is required to establish that such delivery did, in fact, take place and that such delivery was a condition precedent to consummation of the sale. A Certificate of Interstate Sale is to be used as substantiation when claiming an exemption on sales of airplanes, heavy equipment, boat motors, furniture, and appliances.

Out of State Delivery occurs when the seller is required by the sales agreement to:

- (1) Physically deliver the goods sold in the seller's equipment from a point in this State to a point outside this State, not to be returned to a point within this State, and provided that such delivery is actually made, or
- (2) Deliver the goods to a common carrier or to the United States Post Office for transportation outside the State at the seller's direction either f.o.b. point of origin or f.o.b. point of destination, or
- (3) Deliver the goods outside the state by use of an independent trucker.

### **48 Hour Drive Out**

Sales of automobiles, trucks, truck-tractors, semi-trailers, trailers, boats, travel trailers, motorcycles, and all-terrain cycles which are exported from this State within forty-eight (48) hours and registered and first used in another state are exempt from sales tax. A properly executed Certificate of Interstate Sale must be maintained to substantiate sales of boats, all-terrain cycles, or other equipment not required to be registered for highway use.
