Notes: Purchased brand new in 2008. This Gustafson SS-LA treater is offered along with a frame designed to protect it and conveniently move the treater where needed. This was used in our operation to treat plot seed by dumping 50 lb. bags into the hopper at the plot location. When setting on a pickup or trailer, catching the treated seed is easy and convenient as it leaves the treater. Treater worked great for plot seed and/or would be perfect for smaller seed treating lots. We have the operators manual and can email it to you for more details. We are happy to answer any questions.
